

EitC Online engagement timetable:

In response to the COVID-19 pandemic and having to cease all EitC session delivery, an online engagement timetable has been developed to ensure EitC participants can stay connected and remain socially and physically active whilst at home. The session menu below has been designed to help to improve fitness, reduce social isolation, build resilience, improve morale and optimism for the future. Sessions are delivered on a weekly basis, unless otherwise stated, and are free to access. To register your interest or to ask any questions, please contact your EitC programme coordinator. Upon registration you will be sent an invitation email to join the session alongside details for how to download the free 'Webex' app from your App store.

Time:	Monday	Tuesday	Wednesday	Thursday	Friday
